

5

PLACE VALUE

Hundreds

Tens

Ones

- Write the correct hundreds, tens and ones for the numbers provided.

Hundreds	Tens	Ones	
1	0	0	= 100
			= 215
			= 326
			= 498
			= 563
			= 659
			= 728
			= 849
			= 921
			= 999

PLACE VALUE

- Determine the place value of the underlined digits.

$259 =$

ones

$562 =$

$631 =$

$891 =$

$786 =$

$426 =$

$157 =$

$582 =$

$263 =$

$649 =$

$459 =$

$953 =$

$578 =$

$821 =$

$432 =$

$321 =$

$679 =$

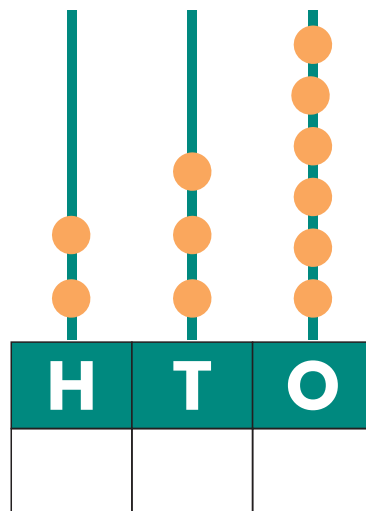

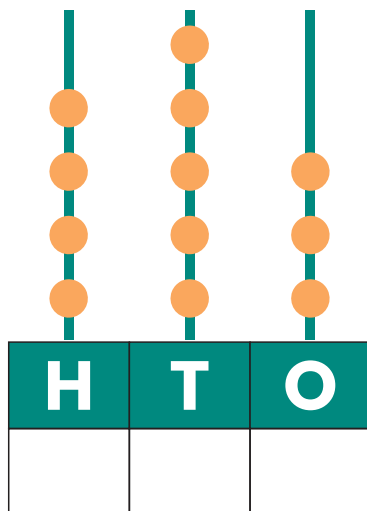

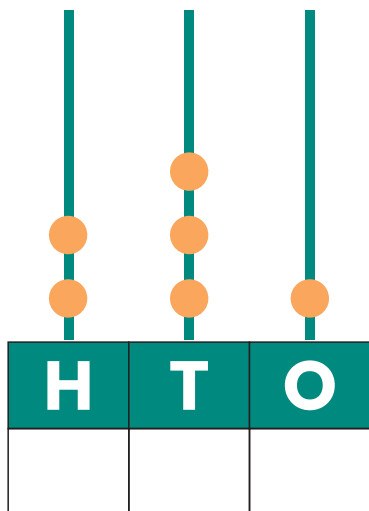

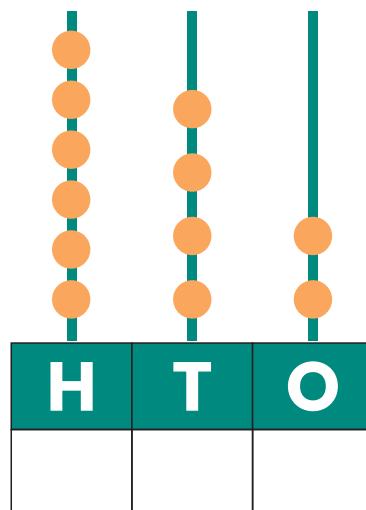

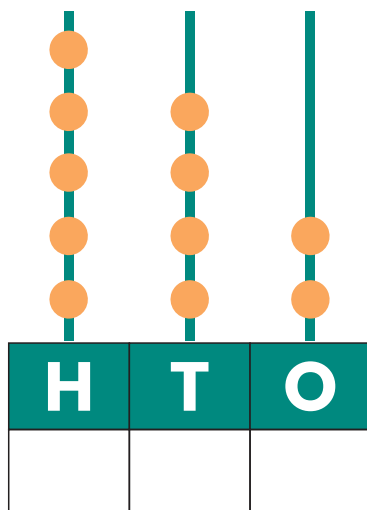

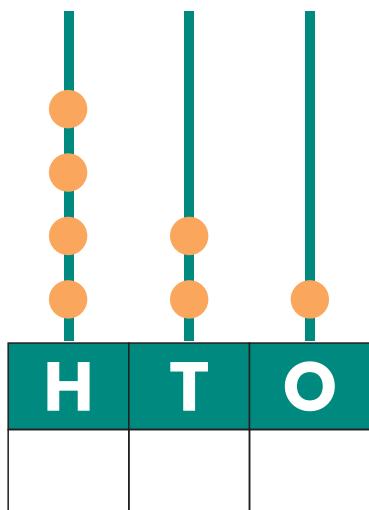

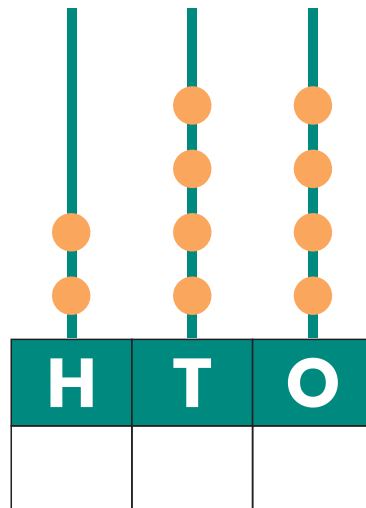

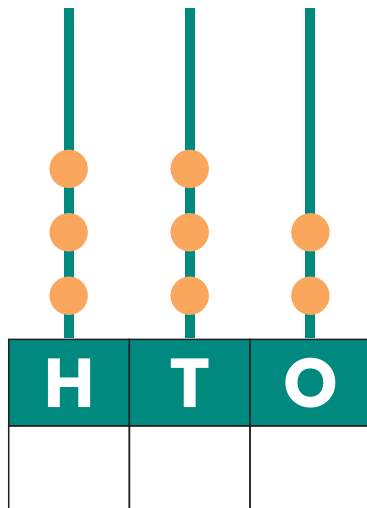

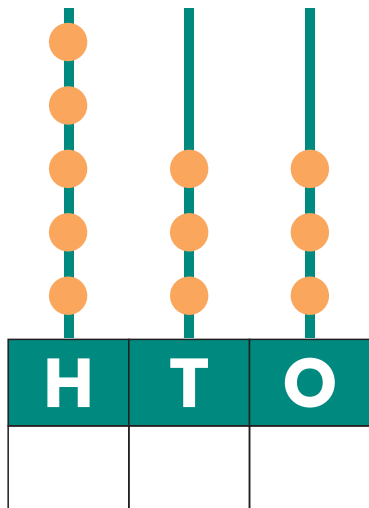

$225 =$

PLACE VALUE

- Look at the abacus beads. How many hundreds, tens and ones are there? Write the numbers in the correct boxes below each abacus.

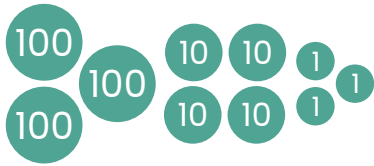

PLACE VALUE

- Count the hundreds, tens and ones and write the number.

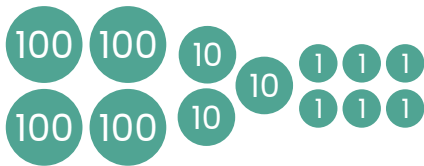

H	T	O	
3	4	3	= 343
