

3 PLURALS

Plurals are words that show there is more than one of something. We add -s or -es to most singular nouns to make them plural.

Examples:

👉 Book → Books (more than one book)

👉 Dog → Dogs (more than one dog)

👉 Box → Boxes (more than one box)

Regular Plurals

We add "s" to most nouns to form the plural.

Singular	Plural
tree	trees
ship	ships
flower	flowers
cat	cats

Rule

-  Add "es" to nouns ending in s, ss, sh, ch, x, and o.
-  Add just "s" to nouns ending in vowel + y.
-  Add the examples right under their rules.
-  Change "y" to "ies" in nouns ending in consonant + -y. Change -f or -fe to -ves.

For example:

Singular	Plural
bus dress box potato	buses dresses boxes potatoes
key toy	keys toys
pony family	ponies families
wife shelf	wives shelves

Irregular plurals

Some nouns do not follow the regular rules of adding -s or -es to make them plural. These nouns are called irregular nouns, and their plural forms are unique.
