

6 IMPERATIVES

We use imperatives to **order, request, suggest** and **advise**.

For example:

👉 **Eat** this.

👉 **Be** careful!

👉 Always **cross** the road carefully.

We begin negative imperatives with "**Do not (Don't)** or **Never**:"

👉 **Don't say** that! 👉 **Do not open** this window.

👉 **Never touch** that plant.

We use **please** or **kindly** with imperatives to make requests.

👉 **Please come** here.

👉 **Don't do** that, **please**.
