

21 CONJUNCTIONS

Conjunctions are words that join or connect words or sentences together.

For example:

-  I like apples **and** oranges. (joins two similar items)
-  She is tired, **but** she is still working. (shows contrast between two ideas)
-  Do you want tea **or** coffee? (offers a choice between two options)

And, But, and Or

And

And is used to link two similar ideas in one sentence.

For example:

-  The sun is shining and it's 31°C.
-  It's sunny and warm.

But

But is used to contrast two different ideas in one sentence.

For example:

-  The sun is shining but it's -5°C.
-  It's sunny but cold.

Or

Or is used to talk about two different possibilities or options.

For example:

-  Do you want to sit here or go inside?
-  We can sit outside or we can sit inside.

Because and So

Because

Because explains why something happens.

For example:

 I like it because it's hot and spicy.

 She stayed home because it was raining.

So

So shows the result of something.

For example:

 It was raining, so she stayed home.

 I was hungry, so I ate a snack.
