

18 CONJUNCTIONS

A conjunction is a word that connects words, or sentences. Conjunctions make sentences smoother and easier to understand.

Common Conjunctions

And, But, Or

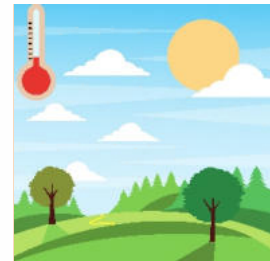

And is used to add similar ideas.

Example: I like reading and writing.

But is used to show contrast or difference.

Example: It was sunny but it was cold.

Or is used to show a choice between two options.

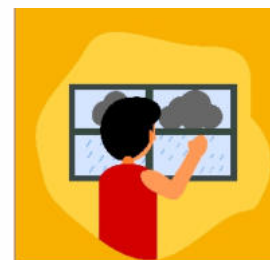

Example: Would you like tea or coffee?

Because and So

Because explains reasons.

Example: I stayed at home **because** it was raining.

So shows the result of something.

Example: It was raining, so I stayed home.

When, While, Although, Unless, Until

When shows time.

Example: I will call you **when** I get home.

When I get home, I will call you.

While shows two actions happening at the same time.

Example: She was singing **while** he was playing the guitar.

Although shows a contrast.

Example: **Although** it was late, I stayed awake to read.

Unless means "if not."

Example: You can't go out **unless** you finish your homework.

Until means "up to the time of".

Example: The store is open **until** 9 PM.
