Be Thankful

Be thankful for every day,
And all the small things that come your way.

Be thankful for your health,
And fill your heart with gratitude and wealth.

Be thankful for the roof over your head,
And that you have a warm, comfy bed.

Be thankful for the knowledge you know,
And the learning you have left to grow.

Be thankful for nature all around,
And the soothing, calming sounds.

Be thankful for the air that you breathe,
And for every blessing you receive.

The Caterpillar

Brown and furry,
Caterpillar in a hurry;
Take your walk
To the shady leaf, or stalk.

May no toad spy you,
May the little birds pass by you;
Spin and die,
To live again a butterfly.

The Crocodile

How doth the little crocodile
Improve his shining tail,
And pour the waters of the Nile
On every golden scale!

How cheerfully he seems to grin,
How neatly spreads his claws,
And welcomes little fishes in,
With gently smiling jaws!
