ADJECTIVES

UNIT 5 ADJECTIVES

An **adjective** is a word that describes or modifies a noun or pronoun. It tells us about qualities, size, colour, shape, quantity, or condition.

Examples:

Type	Example Sentence
Quality	The cake is delicious . 
Size	She has a small bag. 
Colour	He wore a blue shirt. 
Quantity	There are three chairs here. 
Shape	The table is round . 
Condition	The car is broken . 

Degrees of Adjectives

Degrees	Definitions	Examples
Positive	The base form of the adjective, no comparison.	This flower is pretty. 
Comparative	Compares two things or people.	This flower is prettier than that one. 
Superlative	Compares three or more things or people.	This is the prettiest flower in the garden. 

Forming Comparative and Superlative Degrees

Short adjectives	Add -er for comparative; -est for superlative. fast → faster → fastest	• This car is fast. • That car is faster than mine. • The red car is the fastest of all.
Adjectives ending in -y	Change -y to -ier and -iest . easy → easier → easiest	• This test is easy. • That test was easier than the previous one. • The last test was the easiest of all.
Long adjectives	Use more for comparative; most for superlative. expensive → more expensive → most expensive	• This watch is expensive. • That one is more expensive than mine. • This is the most expensive watch in the store.
Irregular Adjectives	Completely change word forms. bad → worse → worst	• His handwriting is bad. • His handwriting is worse than me. • This is the worst handwriting I have ever seen.
