

UNIT 2

FUNCTIONS AND USES OF A COMPUTER

Learning Objectives

- Know the uses of a computer.
- Know the different purposes of computer, e.g. communication, entertainment, education and text editing.

UNIT 2

FUNCTIONS AND USES OF A COMPUTER

We use computers every day at homes, banks, airports, hospitals, super markets, schools and offices.

Computers are great for learning. We can read e-books, attend virtual lessons, and watch educational videos to understand new things.

Computers help us send messages to our friends and family, send important emails, and make video calls to see and talk to people far away. We also use computers to play fun games, listen to our favourite music, and watch videos.

At home

At airport

At hospital

At bank
