Colour Box

UNIT 6

INTRODUCTION TO MS PAINT

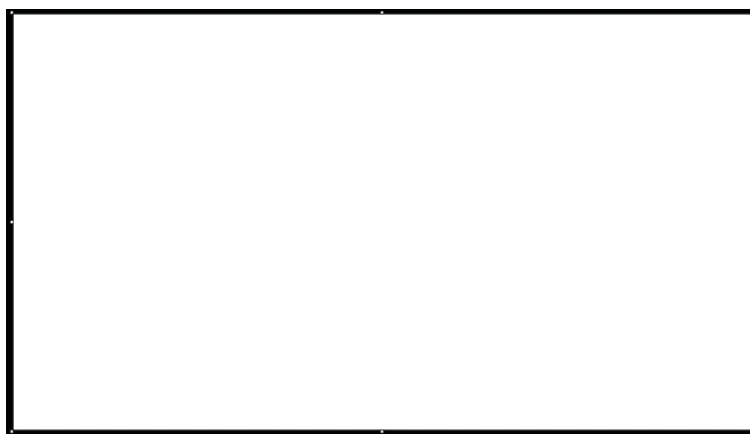

Microsoft Paint Window

When you open MS Paint, you will see a window like the one in the picture.

Canvas

This is the big white space where you can draw and paint.

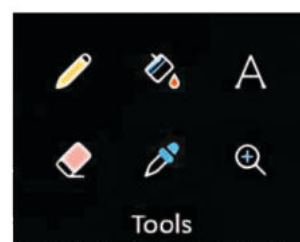

Undo/Redo Buttons

These buttons help you fix mistakes. If you make a mistake, click the Undo button to go back. If you want to bring back something you erased, click the Redo button.

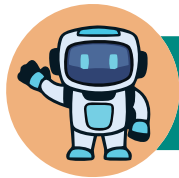

Toolbox

This box has different tools like a pencil, eraser, and text tool. Click on any tool to use it.

DO YOU KNOW?

The shortcut key for **Undo** is (Ctrl+Z) and for **Redo** is (Ctrl+Y).
