True False

UNIT 7

WORD PROCESSING

ACTIVITY

Typing and Editing Practice in Microsoft Word

1. Open **Microsoft Word** by double-clicking its icon.
Type this sentence: " **The cat is on the mat.**"
2. Now, let's edit it. Change "**cat**" to "**dog**" by clicking after "cat" , pressing **Backspace**, and typing "dog."
3. Next, change "**mat**" to "**bed**" by clicking after "mat," pressing Backspace, and typing "bed."
4. To make it look nice, **high light the sentence**, change the font size to **16**, and the colour to **blue**.
5. Finally, **save your work** by clicking on **File**, then **Save**, and name your file "**Typing Practice**". This activity helps you learn to type, edit, and format text.
