

18 ADJECTIVES

Adjectives are words that describe nouns or pronouns. They tell us more about a person, place, or thing, such as size, colour, shape, etc.

For example:

 The big dog barked loudly.

 She wore a red dress.

Comparative Adjectives

Comparative Adjectives are used to compare two things or people. They are often formed by adding -er to the adjective or using **more** before the adjective.

For example:

 This book is bigger than that one.

 She is more intelligent than her brother.

Superlative Adjectives

Superlative Adjectives are used to compare more than two things or people to show the extreme quality of one thing or person. They are often formed by adding -est to the adjective or using most before the adjective.

For example:

 He is the tallest boy in the class.

 This is the most interesting story I have read.
